**ROLE:** PRINCIPAL DESIGNER (WHILE AT TBA)  
**CORE CONSULTANT TEAM:** TBA, SOM, PHA  
**CLIENT:** NYC- DDC  
**SIZE:** 9 ACRES  
**STATUS:** BUILT

**PROJECT CHARGE:** Christian led the design of a high-security emergency operations center that is at once cost effective, visually compelling, and provides added physical safety for the continued operations of the facility. As a sensitive facility, operated by NYPD, FDNY, and NY OEM, the site design incorporated both visual and physical security devices throughout the design.
