

ORANGE COUNTY GREAT PARK MASTER PLAN IRVINE, CA, USA

PROJECT TYPE: REGIONAL PARK
PROFESSIONAL SERVICES: PLANNING
ROLE: DESIGNER/PLANNER (WHILE AT KSLA)
CORE CONSULTANT TEAM: KSLA, TEN
ARQUITECTOS, MARY MISS, MLA
CLIENT: OCGP DEV. CORP.
SIZE: 1346 ACRES
STATUS: COMPLETE

PROJECT CHARGE: The speculative design of the 'Great Park' won first place in a major international design competition to re-envision the decommissioned, highly polluted, air-station El Toro. The design of this major regional public park placed a special emphasis on active sports, agricultural interpretation, manipulation of large earthworks, provision for public educational programming, and site activation through both the fine and performing arts.
