

SANTE FE RAILYARD PARK
SANTE FE, NM, USA

PROJECT TYPE: CITY PARK
PROFESSIONAL SERVICES: DESIGN
ROLE: TECHNICAL DESIGNER (WHILE AT KSLA)
CORE CONSULTANT TEAM: KSLA, FREDERIC SCHWARTZ ARCHITECTS
CLIENT: TRUST FOR PUBLIC LAND
SIZE: 13 ACRES
STATUS: BUILT

PROJECT CHARGE: Christian led the technical design of a central cultural and art park to serve as a gathering place for all of Santa Fe’s citizens and visitors. We provided programatic opportunities for markets, dining, and to view world-class contemporary art. The design provided for a modern interpretation of indigenous cultural traditions.
