

**SHEIK KALEIFA MEDICAL CITY
ABU DHABI, UAE**

PROJECT TYPE: MAJOR MEDICAL CENTER
PROFESSIONAL SERVICES: DESIGN
ROLE: PRINCIPAL SITE DESIGNER (WHILE AT TBA)
CORE CONSULTANT TEAM: TBA, SOM, CRACKNELL
CLIENT: EMIRATE NATIONAL MEDICAL SYSTEM
SIZE: 90 ACRES
STATUS: COMPLETE

PROJECT CHARGE: Christian led the proposed design of all the site work for a healthcare mega-project consisting of four major hospitals sited on a sprawling campus in the UAE. As the future flagship for the Emirates national medical system, cultural sensitivity and advanced sustainability techniques were at the core of the design strategy. The proposed landscapes ranged from iconic processional landscapes to major green roofs, streetscapes and over 60 “micro-gardens.”
